FORRESTAL LODGE

Friday 6th February
From 9am – 12 noon

We are urgently seeking volunteers to help with a working bee at Forrestal House.

The grounds are in need of a significant tidy-up, including mowing, weed-eating, cutting back overgrowth, mulching and general clean-up.

If you are able to make it and you have any tools that could help with the above, can you please bring them along.

We would be very grateful for any help you can offer — even a small amount of time will make a big difference. If you can't do physical work, then perhaps you could volunteer to make us a cuppa on the day!

This is important work to help care for our church property and cannot be done by just one or two people.

Thank you for your support and for helping care for our parish grounds.
